

Caprice de Colombele Blanc

IGP Cotes de Gascogne / France
Gros Manseng|Colombard

An elegant and aromatic wine with aromas of citrus and grapefruit lingering on with hints of white peach and quince, combining in great complexity. The first impression in the mouth is both lively and generous. The crispiness is well balanced with the lusciousness of the Gros Manseng. Caprice displays a nice length and depth and finishes on notes of passion fruit and pineapple.
