

Muscadet

Château l'Oiselinière de la Ramée

Loire / France
Melon de Bourgogne

The color is a very pale yellow. There are very small bubbles, called “Perlant” that come from the Sur Lie vinification process. Citrus aromas of grapefruit and lemon skin on the nose. The wine is very fresh in mouth with bitter and citrus tones, well balanced with white flowers and exotic fruit at the end.

Muscadet

Comte Leloup du Château de Chasseloir

Loire / France
Melon de Bourgogne

The palate is equally intense and vibrant, with masses of crunch nettle, pear and apple fruit and a great waxy core of fat, juicy lemon acidity. There is fabulous concentration here, and real length and purity.

Muscadet

La Griffe Bernard Chéreau

Loire / France
Melon de Bourgogne

This perennially charming wine has earned a special place in the hearts of Vintages customers who admire its notes of floral blossoms, citrus, crunchy apples and marine stones.
