

Central Valley / Chile
Cabernet Sauvignon

Bright redcurrant fruit, medium-bodied and fresh with spice notes and flavour reminiscent of chewy blackjack sweets, all wrapped up the light tannins and herbal, sappy finish.

[illegible]

Central Valley / Chile
Sauvignon Blanc

Produced from old vine Sauvignon Blanc grown on the cool, hilly farm of the Martin family, this has fresh, crisp, ripe citrus fruit and is packed with lime zest and kiwi fruit flavours. Think of cool glacial streams and enjoy the refreshing, racy acidity on the finish.
